

August

IN DUE SEASON

The people of the Old Testament were warned over and over against worshiping idols. Idolatry is making anything in your life more important than God. Our lives are full of that temptation that steer us away from God. We make idols out of our cars, children, houses and even pastors. Today's idols are money, success, reputation and security.

- *'Ye shall make you no idols nor graven images...'* Our allegiance belongs to God and God alone; no idols no graven images. Nothing should trump God. He was, is and always will be God; Number One! When you put God first, your life will line up according to His will and His plan.
- In all thy ways acknowledge Him and He will direct your path. Trust me, He has the Master Plan.

Have you ever experienced God showing up right at the nick of time? In a place of decision and you did not know which way to turn or the way out? What you must understand is that God is TIME. Everything is played out by His schedule. He does not fit your time – you fit His. Your answer may seem to take forever, but remember one day with God is as a thousand years.

- *James 4:15* – “For that ye ought to say, If the Lord will we shall live and do this, or that.” In other words, when it is TIME.

At one point, a part of my son's answering message was, “If you leave your name and number, it is with due diligence I will return your call.” In other words, when the time is right, I will answer you. It may not be today, or tomorrow, but In Due Season, I will answer you.

- *Psalms 91:15* – “He shall call upon me and I will answer him: I will be with him in trouble; I will deliver him, and honour him.” Your answer; your blessing is like the side mirror on your car that says objects may be closer than they appear. Your Due

Season is closer than you think.

You just hold on, the blessing is coming. God has got to make sure you are ready. Some blessings take preparation. Before Christ came to earth, God sent John the Baptist to prepare the Way of His coming. Your character needs to be strengthened, so that you won't boast about what you have done. Your knowledge of God has to be increased, so that you will know that all good and perfect gifts come from God – not your job, not your friends, mama or daddy. Your faith has to be *establishea*, so the next time a trial comes you will know to be still and know that He is God.

- *Isaiah 65:24* – “And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.” That's Good News! Before you plead, God has an answer on the way! He has already dispatched Angels to do your bidding!
- Are you sitting contemplating which bill to pay?
