GREATER IS COMING: Position Yourself

You must be in position to receive Greater.

There is nothing like being in the right place at the right time. Blessings are not happenstance. They are given in precision time with purpose and with intention. Have you ever received a blessing and it was right at the nick of time? God wants to bless you. He wants you to have everything that has been purposed for you. God has given us simple instructions on how to receive our **Greater**:

- *Malachi 3:10* "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."
- *Matthew 1:19* "Again, truly I tell you that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven."

God blesses us with **Greater** when He knows that we are responsible enough to receive more. What you do with what you have shows God how responsible you would be if He would give you more. If you don't appreciate what you have, you will never receive more. If you don't take care of the Volkswagen, you will never get the Mercedes. If you don't take care of the trailer you will never move into the condo.

There is a responsibility for **Greater**. The parable of the 10 talents is a prime example. The lord gave one of his servant 5 talents who immediately put his money to work and gained 5 more talents. The one he gave 2 talents likewise put his talents to work and doubled his blessing. The man who received 1 talent dug a hole in the ground and put his talent where it would not profit. When the master returned he had nothing to show for the blessing he received. Neither he nor his talent was in POSITION for **Greater**. He demonstrated a lack of responsibility.

You must be in position physically and mentally to receive **Greater**. Train the mind and the flesh will follow. Let this mind be in you that is also in Christ Jesus. What are you thinking?

Excuses keep you from receiving your **Greater**. If you never try you will never win. If you never step out on Faith you will never know what Faith in God will do. If you never position your faith to work the scripture says it is dead. I asked

Prophetess Catherine Williams how did she know that what she heard, when prophesying to someone, was actually from God. She said, "If you never step out and believe God it will never happen. You will know when it is God and when it is flesh, but if you never give the prophecy you never will." So, I did and the prophecy came to pass. I allowed myself to be in position where God could use me.

You must position yourself for **Greater**. If you are not in position for your blessings, they may just pass you by. *Steve Harvey* gives an illustration of a person that is standing on the wrong street corner waiting for his package of blessing. This person is waiting, but he is on the wrong street. The blessing continues to pass him by. He came off of Faith Street (where he was believing God) and went to Doubt Drive and I'm Not Worthy Avenue and Not Meant To Be Blvd and finally he ended up on Pity Street. Because he did not remain on Faith Street the Blessing was sent back: Return to Sender. You have got to be in your **FAITH POSITION**.
