## GOD IS TURNING IT AROUND FOR ME

*Genesis 22:1-8, Hebrew 11:1*

Jakalyn Carr sings: "*Greater is Coming*"  
Jason Nelson sings: "*Shifting the Atmosphere*"  
Byron Cage sings: "*Broken but Healed*"  
Preshea Hilliard (penned by J White) sings: "*Lift Up Your Head*"  
Jonathan Nelson sings: "*My Name is Victory*"  
Paul Morton sings: "*I'm Still Standing*"  
Maurette Clark Brown sings: "*I Hear the Sound of Victory*"

If you believe that *Greater is Coming*, that there is a *Shift in your Atmosphere*, that you were once *Broken but now Healed*, If you will only lift up your Head and Praise God – I promise you the King of Glory will come in because your *Name is Victory*. You are Still Standing. By Faith you can Hear the Sound of Victory because God felt that *You were Worth Saving!*

Summation: God Is Turning It Around For You. My assignment tonight is to revive your belief and trust in the Almighty God who has promised to take care of you. God said that He will never leave you nor forsake you. Christ came that He may give you LIFE and Life more abundantly. His Blessings are rich and they add no sorrow to them. He will turn things around for you, but you must have faith in Him.

*Hebrews 11:1* – "Now FAITH is the substance of things hoped for, the evidence of things not seen." It was by FAITH that the elders obtained a good report. By FAITH the world was framed. By faith Abel offered a more excellent sacrifice. By FAITH Enoch was translated and never saw death. By FAITH Noah built an ark and it had never rained on the earth. By FAITH Abraham obeyed God and was blessed to be the Father of many nations. By FAITH I am who and what I am, I have what I have and I will become what God wants me to become.

Our Faith pleases God because the scripture says without FAITH it is impossible to please God. Pleasing God should be number one on our daily agenda. My pleasing God takes precedence over pleasing you. I would rather please God than man.

For many years I did everything I knew how to make people like me. I spent countless hours devising ways to make everybody happy with me. I did things that I didn't like so that I could be with the popular crowd. I wanted to be with the 'IN' crowd. I wanted to be accepted.

It was when I found out that the very one that is in your face can be the very one talking about you behind your back; when I found out that so called '**good friends**' will leave you high and dry and when I found out everyone is replaceable, it was then that I allowed the King of Kings and the Lord of Lords to become my concentration. When I please Him He will fight my battles, He will hang in there with me and always have my back.
